

# SOCOM EDITION

Built for pure performance and extreme use, the new SOCOM edition Special Forces pistol from Ed Brown has everything you need for serious performance. All the engineering, precision manufacturing, and hand-fitting the Brown family is famous for is included. The SOCOM edition sports a Trijicon RMR and our new Gen4 color, FDE (Flat Dark Earth). The light rail frame and Black Nitride suppressor-ready barrel prepare this gun for combat in any environment. A unique and highly durable Chainlink III pattern combined with VZ Alien grips provides a secure grip for severe applications. Other options included are American Flag serrations, front cocking serrations, one-piece magwell, and (2) Black Nitride Ed Brown 8-round magazines.
