Authorized Dealer Eligibility and Terms

Ed Brown Products manufactures the world's finest custom handguns, parts and accessories. Engineered for performance. Precision machined in America. Hand-crafted to perfection. For over 50 years. The benefits of becoming an Ed Brown Authorized Dealer include:

- *The deepest discount available for all Ed Brown Products.
- *Free shipping on all orders over \$100.
- *No credit card fees.
- *Direct access email address (renea@edbrown.com), and direct access phone line 573-565-3261. Always leave a message if we don't pick up, and we will return your call.
- *24/7 access to LIVE inventory, dealer pricing, and full product specs at www.edbrown.com
- *Social media content available for your online use.
- *All logos, photos, and information are available to all Authorized Dealers with permission to reprint, share or publish for purposes of advertising Ed Brown Products brand.
- *Priority processing of orders (when available).
- *Access to the "Custom 1911 Build" web-page, to easily configure a custom 1911 (excludes EVO and Fueled series) and get an instant retail price and delivery estimate.
- *Risk-free purchase. We are so confident in our products we will exchange for different inventory under approved circumstances.
- *Range gun program benefits available, based on program status.
- *Eligibility for special offers and deals (when available).
- *Special event support available.

Eligibility Requirements

- *Supply us with a current, signed copy of your FFL.
- *Supply us with a current copy of your "firearm related" business license or sales tax permit, if required in your state.
- *Create an account at www.edbrown.com , which will allow you to place your orders, get current pricing, live inventory, and other information 24/7. Email us your username and email after creating your account, and we will configure your account to display your dealer price at checkout. We are happy to walk you through the process over phone if needed.
- *Place your initial qualifying order, online if possible. After the initial order is placed, there is no minimum order. Our sales staff are happy to help you put together your initial order if needed.

Come Grow with Us

If you are unable to meet the initial order requirement, you may still join the program at the lower discount level and grow into the Authorized Dealer discount level. Your orders will accumulate throughout the calendar year, and if the combined total exceeds the threshold level, your account will convert to Authorized Dealer discount levels for subsequent orders for the remainder of the calendar year.

Annual (calendar year) Purchase Requirements

To maintain your Authorized Dealer account, we ask that you attempt to keep inventory for customers to see when they visit your store. Our sales staff will work with you to determine what amount is reasonable for your situation.

MAP Policy

Minimum advertised price (MAP) is equal to MSRP (manufacturer suggested retail price). Authorized Dealers may not advertise product at less than MSRP in print or electronic media in any way. We reserve the right to make the judgement call on what constitutes any form of advertising at less than MSRP. Violations will result in your account reverting to normal dealer discount levels.

Payment Terms

Payment terms are prepayment or credit card. We accept prepayment via cashier's check, money order, personal check or business check. Personal checks and business checks are held a minimum of 10 days for bank clearance. Types of credit cards accepted are Visa, Mastercard, Discover and American Express. Open account terms are available to qualifying customers upon approval of credit application, after sufficient purchase history is established. We prefer credit cards for ease and speed of processing, and there are no credit card fees for dealers.

Prices and Shipping

Complete price lists are included. For most current pricing, refer to website search box and enter part number. Prices are subject to change without prior notice. Shipping is free for all orders over \$100. All firearm orders must be shipped to the premise address on the FFL.

Confidentiality Notice

Order information will only be released to the entity which placed the order. If your customer contacts us, we will not release any of your order information, price, status, date of order, etc., nor will the customer be allowed to make any changes to the order.

By placing your initial qualifying order, you agree to the terms above. Failure to abide by the terms will result in your account reverting to normal dealer discounts. Dealer program requirements and eligibility are subject to change at the discretion of Ed Brown Products, Inc..
