

SPECIAL FORCES

Built for pure performance and extreme use, the Special Forces pistol from Ed Brown has everything you need for serious performance. All the engineering, precision manufacturing, and hand-fitting the Brown family is famous for is included, and we've added our severe use coating for improved wear resistance and rust protection. A unique and highly durable Chainlink III pattern provides a secure grip for severe applications, and we've added a recessed slide stop and flattened and serrated top of slide to finish off the package.
